

To Honor, To Remember, Those Who Serve

More than 50 million brave young men and women have served our country in uniform with honor. As proud Americans we salute their efforts. We look for ways to instill in others the pride and determination of those who gave so much of themselves for others and most of all, ***we have made a vow to remember.***

In an effort to always remember their courage and patriotism, the Brian LaViolette Scholarship Foundation honors them with the Scholarship of Honor.

Our goal, and those who contribute to this Scholarship of Honor program, is to assist you as you follow your aspirations. ***This scholarship recognizes a graduating high school senior with plans to enlist in the military or pursue a career in public safety or community service. (fire safety, police science, teaching, nursing, EMT, ministry, and other noble causes.)***

Remember and believe as Brian did...

The journey is the reward.

SCHOLARSHIP OF HONOR™

Brian LaViolette
1977-1992

In 1992, Brian LaViolette died in a swimming accident at the age of 15. Brian's bold sense of community service led to the creation of the Brian LaViolette Scholarship Foundation which allows others to fulfill his goals and dreams. We see now in these brave young men and women the same sense of community pride that reminds us of Brian's commitment and spirit. The Scholarship of Honor is awarded to a young man or woman who will be entering the U.S. Armed Forces, or a career in public safety or community service, immediately upon graduating from high school.
